Your recent gifts have already begun making a meaningful difference throughout the Kukui Center. Because of your kindness:

- Kids Hurt Too Hawai'i received 84 backpacks filled with school supplies, ensuring children begin the new school year feeling prepared, confident, and supported.
- Hale Kipa received five Lenovo Chromebooks, providing young people with valuable tools for education, career readiness, and building brighter futures.
- Hawai'i Literacy received three HP Chromebooks, five Fire 8 Kids Pro tablets, eight Fire 10 Kids Pro tablets, and five Fire 10 tablets, expanding opportunities for literacy, learning, and digital access for the children and families they serve.

These gifts are much more than backpacks and technology. They are opportunities. They are encouragement. They send a powerful message to every child and 'ohana who receives them: *your community believes in you and is investing in your future.*

One of the greatest blessings of the Kukui Center is the opportunity to bring together community partners like the Rotary Club of Honolulu with nonprofit organizations dedicated to serving Hawai'i's most vulnerable children and families. Your generosity strengthens not only the individual agencies but our entire collaborative mission.

Mahalo for your aloha, your compassion, and your commitment to making our community a better place. Your service truly embodies the Rotary motto, **"Service Above Self,"** and inspires all of us who have the privilege of working alongside you.

On behalf of the Board of Directors of the Kukui Children's Foundation, our seven partner agencies, and the thousands of keiki and 'ohana whose lives are touched by your generosity, **mahalo nui loa.** We are deeply grateful for your partnership.

With warmest aloha and heartfelt appreciation,
