

Event Feedback Analysis Report

High Overall Engagement

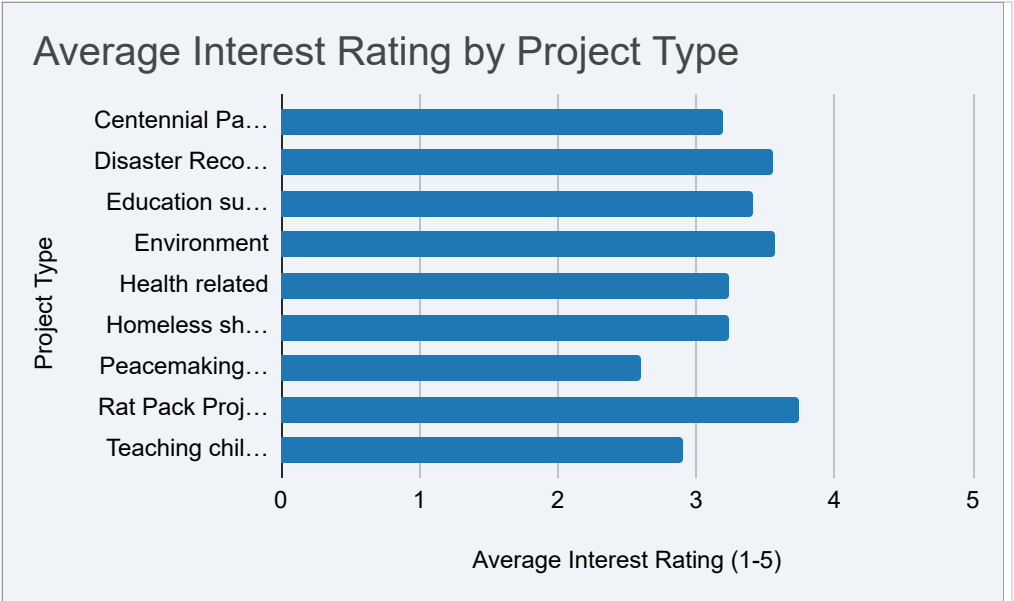

- Strong interest in Rat Pack Projects (3.75 avg) and Environment (3.57 avg).
- Disaster Recovery and Education Support also received high interest.
- Peacemaking (Peace Pole) had the lowest interest (2.6 avg).
- Overall engagement is very positive.

Scheduling Windows

- Weekends are highly preferred for service projects.
- Saturday Afternoons (13) and Saturday Mornings (12) are the most popular.
- Weekday Afternoons (11) and Sunday Mornings (11) are also good options.
- Weekday Mornings are the least popular time slot (4).

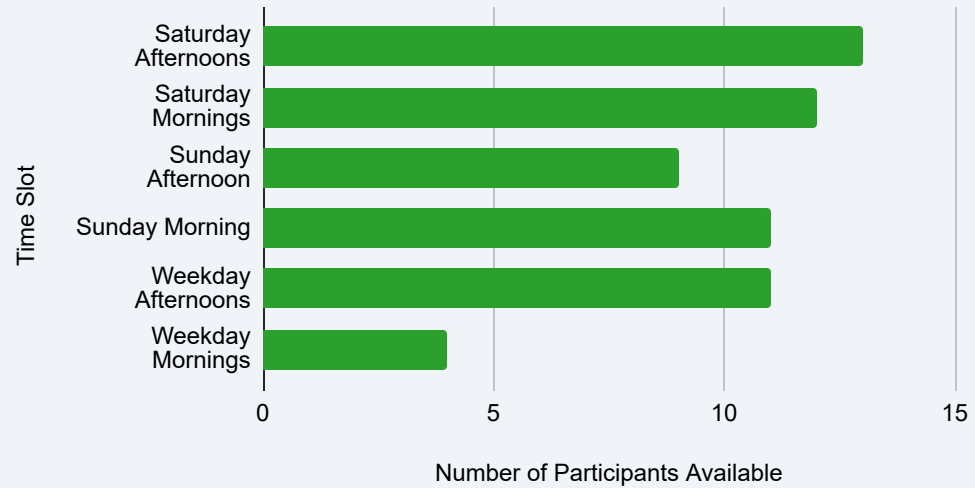

Demographic Flexibility & Suggestions

- A majority of participants have 'No Preference' for the age group they work with.
- Some prefer working with College/young adults or Adults.
- Suggestions include partnering with Junior Achievement for literacy.
- Other ideas: Shriners Christmas carols, RYLA, and Kahoolawe projects.
- Maui is the most popular neighbor island preference.
