Pledge to Promote Peace

I believe that when people work to create peace in their families, clubs, businesses, and communities, change can have a global effect. That change starts with me on a daily basis.

To advance peace and harmony in my personal, professional, and social life and in the world, I affirm the following:

Peace begins with me each day.

I will create peace in my world every day as I endeavor to:

- nurture and foster peace within myself
- acknowledge the worth of all people, all life, and all perspectives
- respect the diversity of ways people pursue their individual ideals and views
- treat everyone with kindness, aloha, & compassion
- listen first to understand, and then speak to be understood
- find common ground with others and practice peaceful problem- solving strategies
- seek mediation to resolve conflicts before utilizing the legal system
- apply the 4-way Test of the things I think, say, and do
- support fairness and justice in my community
- become an instrument of peace and aloha wherever I am
