

# Rotarians At Work

## Engage your team

Join us for a special day of service where your local workplaces partner with the Rotary Club of Honolulu to give back!

## Feed our community

The Pantry by Feeding Hawaii Together is Hawai'i's only e-commerce food pantry, operating year-round to provide free, nutritious food to local families.

## How it works:

1. Gather volunteers from your workplace
2. Each participant signs up for a shift
3. Rotary will donate \$50 per person per shift to The Pantry, supporting more food to more families in need
