

ROTARY CLUB OF HONOLULU
ROYAL HAWAIIAN HOTEL MONARCH ROOM
DATE: MARCH 19, 2019
PRESIDING: **PRESIDENT BUB WO**

President Bub called the meeting to order at noon.

Bob Sigall inspired us with his message telling us about one of the first Constitutional crises our nation faced: what to call the President and how we settled on the title "Mr. President". **Sally Mist** led us in the Pledge of Allegiance and **Lyla Berg** led us in singing "God Bless America," accompanied by **Carol Sakata**.

Lyla Berg introduced our visitors and each of them stood and told us a little about themselves.

President Bub wished Happy Club Anniversaries to **Ron Tsukamaki** with 34 years, and **TC Gray** with 18 years.

Brian Dunkel announced our next Rat Pack Project at Pearl Haven on March 23rd, and **Ann Stamp Miller** announced sign ups for the next Hamakua Marsh workday on April 14th.

President Bub recognized all of the recent Maile Hale Fellow Achievements.

Following a brief time for fellowship, **President Bub** introduced our guest speaker, Simon Treacy, President, Hawaii of The Howard Hughes Corporation, who gave us an interesting update on the latest plans for Ward Village. A brief question and answer period followed, and at the conclusion of the presentation, Simon and **President Bub** signed the book "I Am Jim Henson," which will be donated to Palolo Elementary School.

President Bub announced that next week we will be in the Monarch Room, and our guest speaker will be Alex Teece, Co-Founder and Director of DreamHouse 'Ewa Beach Charter School.

President Bub adjourned the meeting at 1:00.

Respectfully Submitted,

Stephen Nikkola
