Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities and in ourselves.

The world's first service club, the Rotary Club of Chicago, was formed on February 23, 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name derived from the early practice of rotating meetings among members' offices.

The Rotary Club of Honolulu (“RCOH”) was founded 10 years later in 1915 and was the first Rotary club in Hawai‘i. Today there are 54 Rotary Clubs on the islands of Hawai‘i, Maui, O‘ahu, Kaua‘i and Lana‘i, including 2 E-Clubs. The RCOH is the largest club, with 140 members.

Our mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders. Our motto is “Service Above Self” and The Four-Way Test is our guiding principles. Of all the things we think, say, and do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
