Dear President Kujo and Members of the Rotary Club of Kyoto:

I hope that this letter finds you in the best of health and spirits and that your club is enjoying much success in all of your good works.

I received your letter of 7 April 2004 with great appreciation. The reputation of your club is known throughout the Rotary world and our club is honored by the presence of your member, Dr. Sen, during his frequent visits to Hawaii. His service to Rotary International has been exemplary.

When Dr. Sen was here in Honolulu earlier in the year, he did ask about the possibility of establishing a sister club relationship with your club. The Rotary Club of Honolulu would be extremely honored to establish a sister club relationship with your distinguished club. In fact, our Board of Directors recently approved the formation of a sister club relationship with your club and has asked our member and Sister Club Committee chairman, Michael Leineweber, to coordinate the formalities with your club.

As you may know, our club was established in 1915 and is the mother club to the other 40 clubs in the State of Hawaii. We currently have 370 members and also have sister club relationships with the Tokyo Shimbashi Club in Tokyo, the Taipei Rotary Club in Taiwan and the Pusan Club in South Korea.

We welcome and look forward to your visit in July. It would be our great honor and privilege at that time to confirm the establishment of our sister club relationship.

Aloha,

Melvin Y. Kaneshige
