Igniting our Membership:

Ignite is a new Rotary Program currently being implemented in Zones 25 & 26. That includes us in District 5000 in Hawaii. The Ignite program is a comprehensive membership recruitment, retention and extension program.

Rotarians in District 5000 have an opportunity to become torchbearers who will invite, unite and ignite new members whose fire and energy when combined with our current membership will help overcome the darkness of poverty, illiteracy, hunger and disease.

We'll be having presentations from our membership committee on Ignite and look forward to learning more about Ignite from Ray Carpenter and Michelle Lemay

This summer RCK will celebrate its 25th Annual Taste of Hawaii - The Ultimate Sunday Brunch

On Monday evening we had a Taste of Hawaii committee meeting. We discussed opportunities and challenges that the 25th annual fundraiser would present. Chairperson Paula suggested brainstorming something unique and special we could do in honor of this Silver Anniversary edition of our fundraiser. Several ideas included giving a special gift, like a hat, or an engraved glass, to attendees and giving a special gift or tribute to the chefs. Another idea was to hold a special "Vacation for Donation" and have an elaborate drawing in honor of the event with \$25 tickets. This special drawing would itself add to the proceeds of the unit which are used to fund the club's work in the local and international communities. Do you have an idea for something special we can do in honor of the 25th Taste of Hawaii. Email Paula Saylor with your thoughts and suggestions.

One of the biggest jobs of this event is managing the equipment which involves moving the gear to the venue, distributing the equipment, and being on call during the event for all the vendors if they need something or something breaks Paul Arrigo would like to mentor someone to replace him at this position. If you or someone you know is up for this responsibility, let Paul know.
