PRESIDENT'S MESSAGE

Aloha!

Dear Fellow Rotarians,

Spring Celebration: Shelley, great turnout! RCMS, served popcorn and shave ice, and received \$147 in donations. Rotarians assisting were the Gamboa family (popcorn), Wendell and Mel shave ice, Shelley and staff, June and Paul. Six Interactors and adviser, Lori, also assisted.

"I Love Books" Fair: since our ILBF was cancelled due to inclement weather. Shelley was gracious enough to make Sat, Apr 25, available for our 5th Annual Book Fair. We are extending invitations to the same book providers and entertainers!

April is **MATERNAL AND CHILD HEALTH** Month

Rotary International's new monthly theme for April is Maternal and Child Health! Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Six Areas of Focus.

Rotarians,
Saturday, March 28, 2026, 10:00am – 1:00pm **TCM's Spring Celebration 2026** RCMS worked very hard. With the help of Wendell, Mel, Paul, Kehau and Joe and family, Cassandra and Conan, Shelley and her staff, Lori and 6 Mililani HS Interactors, and myself we worked hard. We made about 350 shaved ice and could have made more if we did not run out of ice. Popcorn kept getting comments that our popcorn was better than the theatre's. Donations collected were \$147.25 (Popcorn \$53.25 and Shave ice \$94)
