PRESIDENT'S MESSAGE

"Create Hope in the World"

The goal of this year's Rotary Theme of "Create Hope in the World" is to restore hope to help the world heal and to achieve lasting change. I believe it starts here in **Our** community, **Our** schools, with **Our** Kupuna and **Our** keiki, because for many this is their "world".

I am so proud to share what Rotary Club of Mililani Sunrise has been busy with over the last 5 months:

We have so much to be thankful and grateful for. Gratitude is a perspective, and it's a choice. We can choose to see a situation with anger and fear, or we can choose to see it with gratitude and acceptance. And when you choose to see it in a way where there's too much to be thankful for, you'll start recognizing the abundance you're surrounded by.

Happy Holidays and Aloha Always—Kathy
