January 2026

## PRESIDENT'S MESSAGE

### Aloha!

Dear Fellow Rotarians,

Meetings will transition to **in-person** format at Rec 2 starting February 2026

First Wed and Third Wed of each month

If a major issue should arise, will call a "stand-up" Board Meeting as necessary

The Scholarship Golf Tournament committee met yesterday on Zoom to discuss our 24th annual tournament. Leilehua Golf Course has reserved Wed, Sept 2, for our annual golf tournament. After much deliberation, the committee has decided to move our annual golf tournament from third week in May, to first Wed in Sept. The move is to accommodate two weddings in June and a high school graduation ceremony.

Background information for the newer members: In early 2020, Leilehua closed the course and dining facility, due to COVID-19. The dining facility reopened under 604, after a massive renovation. The renovation priced RCMS out of 604, and the new facility was not conducive for a meeting facility. In 2024, Mililani Sunrise hosted our 22nd and 23rd Scholarship Golf Tournament, Though both tournaments were smaller in scope than previous tournaments; however, we were able to net approximately \$25,000, each year; increasing our Foundation corpus to \$175,000. The Foundation goal is to increase our corpus to \$250,000. This will allow increasing our scholarship giving; and fund Service Above Self Awards, and "I Love Books" Fair, annually.

To host our 24th tournament, will require the participation of every member to solicit a team or two, also to solicit team and door prizes for the golfers. We are close to reaching our corpus goal, but will require our members for their three T's, (time, talent, treasure). Please consider giving one or more of your three Ts.

Our next Zoom meeting for our scholarship golf tournament, will be held on Mar 11, at 7:00 pm. We are dark on the 11th. Requesting all members to join our golf tournament committee to discuss our 24th Annual Scholarship Golf Tournament. Your presence is requested. Mahalo plenty!
