

Rotary Club of Mililani Sunrise

Mililani Kakahiaka

July 2026

PRESIDENT'S MESSAGE

Aloha!

Dear Fellow Rotarians,

Induction of Officers & Chairs held on July 15, 2026, by Past District Governor, Naomi Masuno.

I have signed on to be Club President for first quarter of the 2026-2027 Rotary year. To update our members, the Board approved quarterly Presidents to fulfill the presidency for this upcoming year. Mel Kumasaka will be the second quarter President (Oct, Nov, Dec); James Oda, the third quarter President (Jan, Feb, Mar); and Kathy Lum, will close out the year.

Mililani Sunrise will be celebrating our 30th anniversary, we planted a Peace Pole with a plaque on Mililani Hight School for all to see. Our recent partner has been the Town Center of Mililani, who has supported us with the use of the center, contributed to our projects with in-kind donations and financially. Planting a tree at TCM or placing a bench, both with a thank-you plaque...just a thought.

Mahalo plenty!

Mahalo Paul

Paul Nakachi
Club President
2026- 2027

Share the Create Lasting Impact message

The 2026-27 presidential message, Create Lasting Impact, reminds us that "change is only the beginning. Impact is what endures." This message, shared by President-elect Yinka Babalola at the 2026 International Assembly, reflects our shared purpose as people of action working together to create meaningful change and provides a framework for telling those stories of impact. Using this Rotary-wide message helps create a consistent, unified voice that stren recognition of Rotary and supports our continued growth.

2026 Rotary International Convention

Taipei, Taiwan

The workshops that interested me the most were the ones discussing how to keep members involved and how to grow your club. One of my fellow Club Presidents from my year also presented on Rotary's Brand for Global Impact – Mitty Chang.

July 1, 2026, Rotary Club of Mililani Sunrise 30th Year Anniversary!
