

"Pūpūkahi i Holomua"

OCTOBER 24th, 2020

World Polio Day Hawai'i Zoom Event

Aloha Rotarians!

We cordially invite you to the **2020 End World Polio Day Zoom** gathering for Rotary District 5000. In light of COVID-19, we will honor our Hawai'i hospitals and front-line workers while raising funds to assist in the eradication of another disease — Polio. We hope that the parallels we can draw between these efforts can help us forward the necessity of medical access and disease eradication across the islands and abroad. We invite all of our Hawai'i Rotarians across all the islands to join us for talk story as well as entertainment.

Pūpūkahi i holomua!
