### Gordon R. McInally of Scotland selected to be 2023-24 RI President

He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McInally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

McInally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

McInally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McInally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and vice chair of the Operations Review Committee.
