Building Goodwill and Better Friendships: How to Be an Ally

This session will address why allies are needed in the workplace. Are you an actor (spectator), ally, or accomplice? We will discuss concrete ways to be an ally in the workplace as well as provide a summary of dos and don'ts for allies. Lastly, we'll discuss what it takes to rise to the challenge of going to the next level – that of being an accomplice.

Presenter: Maria Flores has over 30 years of governmental and volunteer nonprofit experience in serving varied constituent groups on a national, regional and local level. Maria's main passion is conducting educational outreach and providing training on Equal Employment Opportunity (EEO) and diversity in her current position as the Outreach and Education Manager for the six-state Chicago District of the U.S Equal Employment Opportunity Commission (EEOC)
