WPRC MISSION STATEMENT

Serving and enriching our community through leadership and learning.

Formerly Incarcerated Individuals—Myths & Opportunities

Learn about this new District 6270 project from the creator and a participant. This session will address the stigma and obstacles faced by justice involved individuals, and the service gaps in our communities.

Natraj Shanker is an Industrial & Systems Engineer who has experience working for Fortune 500 companies from the Shop-Floor to the Top-Floor and from Customers to Suppliers. He is a member of the Milwaukee Downtown Rotary Club. He is a board member of the Alzheimer's and Dementia Rotary Action Group (ADRAG) and is the district lead on the Rotary Community Corp focused on Formerly Incarcerated Individuals Rehabilitation Services. He is working on building a startup focused on 3-D Manufacturing. He lives in Shorewood and is active in the community

Jamie De Jesus, released from incarceration 4 years ago and recently discharged from supervision after 23 yrs. Experienced Manufacturing Specialist with a demonstrated history of working in the individual and family services industry. Skilled in Manufacturing, Lean Manufacturing, Motivational Speaking, Teaching, and Hand-drawing. Strong education professional with a CNC Machine Operator Certification focused on Computer Numerically Controlled (CNC) Machinist Technology/CNC Machinist from Gateway Technical College. I have found out that when you are doing right, good things will come to you.

Remember to indicate if you are attending or declining the invitation to the Changing of the Guard Dinner July 23 at Muskego Lakes Country Club. WPRC is covering approximately one-half of the cost of the event. Daniel.weber@gffd.us 414-899-7561
