MISSION STATEMENT

Serving and enriching our community through leadership and learning.

Please, arrive 10-15 minutes early so that our speaker can begin promptly at 5:30. Courtesy to our speaker who is ZOOMING from Belfast, Ireland to speak with us.

SPEAKER: Ciara McHugh

was the District 6270 Global Grant Scholar for 2018-2019. She is approaching her third year of a Ph.D. research program, focusing on "how to ameliorate strained relationships between police and minority communities, specifically through visual technologies, and the ways in which gender paradigms can help overcome barriers between the two groups." Recently, Ciara was instrumental in establishing a new Rotaract Club at her school, Queen's University Belfast.

When she's not researching, she's out hiking in the Mourne, sailing in Belfast Harbour, playing her ukelele at the Sunflower and trying new vegan recipes.

"Over the last few months, we've had to adjust our approaches and strategies to adapt to pandemic conditions. But, with ongoing support from the Belfast Rotary Club, our bi-weekly Zoom calls are full of the same energy and enthusiasm as those first brainstorming sessions. I'm pleased to say that our members have kept busy: with social distanced volunteering at Age-NI, donating energy bars to frontline and hospital workers, engaging with local racial-justice organizations, and organizing an online charity quiz to raise money for local pandemic efforts ."

Instructions for living a life.

Be astonished.

Tell all about it.

- Mary Oliver -

Members

John Bennett	City Engineer
