SERVE TO CHANGE LIVES

WPRC MISSION STATEMENT

Serving and enriching our community through leadership and learning

Club Assembly: What have we done, what are we doing now, what will we be doing for the rest of the Rotary year?

Craft Fair: what did we do well, what could we do better, what should we do next time?

Rotary Foundation

Every great project begins in the minds of our members. You are the ones who see schools where adolescent girls have stopped attending because of the lack of private bathrooms. You are the ones who see families facing food shortages, the children who can't read, and the communities with health problems caused by mosquitoes. You not only see these things, but because you are in Rotary, you also do something about them.

Because of that engagement, over the past decade, the amount of money the Foundation has awarded for global grants has grown by more than 100 percent. As more and more Rotarians have become involved, to keep our grants going we have had to adjust and stretch those funds by reducing overhead and by other means. The reason is simple: While the need for these projects is increasing and grant participation is also on the rise, annual giving from Rotary members has stayed relatively static for years.

Quite simply, we need more clubs and individuals to give to the Annual Fund to help keep our district and global grants thriving. This year, we set a goal of raising \$125 million for the Annual Fund. We can't realize your Rotary dreams or those of your fellow members without everyone's support.

Remember: It's not about the money, but about what our money can do. I am a firm believer that when we all give what we can, both as clubs and individuals, to the Foundation every year, we take another step toward making the world a better place.
