- ♦

**Bell ringing:** our assigned times at the Greenfield Metro-Market are 10—6 on Saturday, December 10.

**Craft Fair** attendance was 2052. That's 44 fewer than last year's record number. 60 crafters have already registered for the Spring show.

**Clean water**, sanitation, and hygiene education (WASH) are basic necessities for a healthy environment and a productive

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

The Rotary Foundation has invested \$148 million in over 2000 water, sanitation, hygiene and water resource management interventions globally. Through this investment, our volunteers of action have improved access to safely managed and basic WASH services to communities, schools and healthcare facilities, while protecting and conserving water

\$24 is all it takes to provide one person with safe water.

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in your own backyard
