### WPRC MISSION STATEMENT

**Serving and enriching our community through leadership and learning**

**Everyone deserves a place to call home. It is a human right and the first step towards recovery after disaster.**

Shelter is so much more than just a roof. It's the foundation for life, families and communities. It is a place to feel safe after days or weeks of fear. It offers protection from harsh weather, privacy, and helps to preserve dignity. It's a space to heal from trauma.

Shelter and other essential items help people protect themselves from diseases like coronavirus and malaria.

Emergency shelter can also prevent communities from scattering. This means people stay connected and build resilience together.

When you don't have to keep moving or worry about where to sleep at night, you can think about tomorrow. Items like tents, tarpaulins, tools, blankets, mosquito nets, cooking sets and water filters help to meet the most urgent needs, so you can start to earn a living, send children to school and rebuild your home.

**Recovery doesn't happen overnight, but a dry and warm place to sleep, prepare meals and be with your family is the vital first step.**

**SHELTERBOX MISSION** : To build awareness of global displacement and to facilitate providing families with life-saving shelter and essential tools and supplies that will enable them to rebuild their homes and transform their lives after disaster

---

We won a \$3000 District 6270 grant to provide winter coats for needy Greendale School District students.
