Hate and Healing: A Path to Forgiveness

Hear from **Pardeep Kaleka** about how he turned the pain of the murder of his father and other religious leaders at the Oak Creek Sikh Temple on August 5, 2012, into positive healing action. This is done with the steadfast belief that the moral arc of the universe bends to the good, the light. We must all embody that light and remain committed to betterment. .

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds. The District 6270 Diversity, Equity, and Inclusion Committee encourages us to reflect on how certain groups are targeted by hate based solely on their skin color, birth country, culture, or religious beliefs. This topic is relevant and important as we have recently witnessed mass murders, with one group in Buffalo targeted only because of the color of their skin.

District will provide time for Q&A from the audience. Everyone is welcome. Please share the invitation!

Register on the District website (rotary6270.org). In the left column look for upcoming events and then click on DET Hate & Healing.

After registering, you will receive a confirmation email containing information about joining the meeting. The waiting room will open at 5:50 p.m., program will start at 6:00.
