Speakers: Feb.– March students of the month
Come, learn something about the 2 Greendale, 1 Greenfield, and 2 Whitnall students on their last day with us.

District Grant: share your ideas for a 2022-2023 project with any board member. A project must include a hands-on activity for some or all of the club and be a humanitarian project which improves health, supports education, and alleviates poverty.

Our 2021-2022 coats for students project was funded with a District 6270 grant of \$3000. The hands on component was packaging the coats for the families and the helping distribute them at the late afternoon event.

If you received training in 2021, the Zoom refresher training is Mar 12 (10am—12pm) or Apr 4 (7-9PM). If you're new to District grants, the Zoom training is Mar 15 (7-9 pm) or Apr 23 (10am-12pm). You can register using the District website. Click on the Grant Money box.

Ukrainians: Over a million people have fled Ukraine and are in dire need of emergency aid. The United Nations estimates that number could grow to 5 million people displaced.

In response to the deepening humanitarian crisis in Ukraine, The Rotary Foundation has created an official channel for Rotary members to contribute funds to support the relief efforts underway and has designated its Disaster Response Fund as the main avenue for contributions. Funds must be received by RIF by April 30 and list Disaster Relief Fund.

RI also suggests "ShelterBox, our project partner for disaster response, is in communication with Rotary members in Eastern Europe to explore how it may offer support with temporary transitional housing and other essential supplies." www.shelterboxusa.org
