WPRC MISSION STATEMENT

Serving and enriching our community through leadership and learning

China Lights: There are slots available!

"We have two weeks of China Lights volunteering in the books but we have 4 more weeks to meet our commitment to the Boerner Botanical Gardens. We still have open time slots and we really need each Rotarian to take one or two time slots if they can. This week is the most critical at this time because half of our slots are still open.

"Its a great way to spend quality time with your significant other (or child) and that allows two spots to be filled. For those that don't feel they can stand for 3 hours, you can volunteer at the exit gate as you'd be able to sit there. For those that like to be in the heart of the excitement, volunteering to be at the Large Dragon Display will not disappoint!!

Rob

September board meeting

++Mini grant for education applications sent to superintendents
++Operation Warm Greendale—distribution of coats in mid November. We will need to purchase the gloves (per our grant application) when we know the number of students.

++Board suggests moving the 3rd meeting to the school District. Wifi works, food cheaper and better. Could go for drinks after.

++Working on a Christmas project for youth in our area.

++50% of the Christmas auction proceeds will go to a charity; 50% of the proceeds will create the fund to pay 1/2 the meal expense for new members.

++Based on online attendance, the Board recommends that the Board meeting be the only hybrid meeting.
