WPRC MISSION STATEMENT

Serving and enriching our community through leadership and learning

September 7: Dennis Fermanich, City Forester for the City of Greenfield, will be speaking about a joint project he is working on with the Whitnall School District plus other projects.

Evanston celebrates 68 years as home to Rotary International World Headquarters

With ten commemorative signs posted throughout Evanston, the city proudly marks its 68th year as home to Rotary International World Headquarters, where a diverse global team of 700+ professionals support the work of Rotary's 46,000 clubs worldwide to strengthen communities and improve lives.

"Rotary has been an economic anchor for decades, not only as one of our largest employers, but surprising to some, one of the largest property taxpayers in our city," said Paul Zalmezak, City of Evanston's Economic Development Manager. "Rotary's reach goes beyond corporate staff shopping and dining at local businesses. With its global membership, Rotary contributes over \$1 million to our local economy with more than 2,000 international visits annually. We are proud to house an organization that is transforming communities and positively impacting lives around the world."

"We are honored to have our world headquarters recognized by the City of Evanston," said John Hewko, Rotary International CEO. "We hope these signs will make it easier for people to find us and engage those who may be curious about our organization. Evanston has been a great place to call home and our visitors are always impressed with its stunning lake views and small-town atmosphere."
