District Governor's message: Each year, the district selects Emerging Leaders to attend the Zone Institute, an event dedicated to nurturing the next generation of leaders. This innovative program focuses not only on traditional leadership skills but also places a strong emphasis on cultivating a sense of civic responsibility, promoting service above self, and encouraging a commitment to creating lasting change in the world, in our communities, and in ourselves. The district allocated three scholarships in the 2023/24 budget to support individuals attending this program, scheduled to take place at Rotary One in Evanston from October 19th to 22nd.

Do we want to nominate a club member? Applications are due Friday.

Learning opportunity: Saturday, September 23 in West Bend is open to all. The Club Leadership Academy's purpose is to strengthen the professional skills of any members in the district currently serving in a leadership position and to motivate and prepare other members interested in serving in leadership roles in your club. It is also a great opportunity to network, share ideas and learn more about the different leadership tracks. Keynote speaker Michael Rust presenting: **"Lessons from 10,000 Conflicts: Getting Better at Difficult Conversations"**.

Conflict is a natural part of human existence. Michael Rust will help you have those difficult conversations. He brings immediately applicable suggestions to assist you - as leaders you are helping others - without toxic divisiveness taking root.

PolioPlus In 1988, Rotary took on the Challenge of Ending Polio – a disease sweeping the world which killed and crippled 320 thousand children a year. Last year Africa became Polio free and now just two countries – Afghanistan and Pakistan have had cases in 2021.
