### WPRC MISSION STATEMENT

**Serving and enriching our community  
through leadership and learning**

**Sep 20** Roman Blinski, President of the Greenfield Historical Society will address the club.

The purpose of Rotary – Peace Corps Week is to amplify awareness of this partnership, and this year's event, themed "Celebrating the Peace Corps Connections," aims to build upon prior successes.

Partnering for Peace begins on Monday, September 18th, and runs through Friday, September 22nd. During this week, Rotary International and the Peace Corps will jointly host their third annual week-long event, commemorating the achievements and opportunities stemming from their official partnership. This partnership provides Rotary's support and connections to Peace Corps Volunteers, both in the field and within the United States. It also aims to facilitate connections between returned Peace Corps volunteers and Rotary and Rotaract Clubs once they have completed their service.
