WPRC MISSION STATEMENT

Serving and enriching our community
through leadership and learning

JAN 10 Tom Hermann will bring several students from the building trades program who will present 2 potential projects that could be constructed this year.

TriCon 2024 April 18-20 in Green Bay

Have you ever noticed how routines can become silent chains, anchoring us to a predictable existence? They provide comfort, yes, but they can also stifle creativity and hinder personal growth. Another hazard of habits is that they often lure us into a false sense of security, a zone where we feel competent and stop learning.

TriCon 2024 is your ticket to breaking these chains. Hosted by Rotary International Districts 6220, 6250, and 6270, this three-district conference is a departure from the ordinary. We have designed it to shake things up, infuse new ideas, and reignite that spark within you. It is an opportunity to step beyond the familiar, to venture into the sweet spot of discomfort where the magic happens.

Early Bird Specials are in full swing, but the melody fades after February 15th. Do not miss the chance to save up to \$47 on your registration. Sign up early, secure your spot, and take advantage of the Conference and Meal Package for maximum value.
