## WPRC MISSION STATEMENT

**Serving and enriching our community through leadership and learning**

## Second woman takes office as president of Rotary International

Stephanie Urchick, member of the Rotary Club of McMurray, PA, was the second woman to take office as president of Rotary International on 1 July 2024. During her one-year term, Urchick will lead the 119-year-old membership service organization in adapting for future success as Rotary's 1.4 million members around the world develop and implement sustainable, community-driven projects that fight disease, promote peace, provide clean water, support education, save mothers and children, grow local economies, and protect the environment.

In order to ensure that Rotary membership is a compelling option for those who have a heart for service and fellowship, Urchick is urging clubs to assess their strengths and areas for improvement while also encouraging them to embrace different meeting formats and membership styles as they work to mirror the communities in which they exist in terms of gender, age, culture, socioeconomic status, etc.

As one of the world's largest membership service organizations, Rotary has made peacebuilding the cornerstone of its global mission. From carrying out service projects to supporting future leaders through youth programs and scholarships, Rotary is taking action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

As president, Urchick will also oversee Rotary's top goal of eradicating polio. Alongside its Global Polio Eradication Initiative partners, Rotary has achieved a 99.9% reduction in polio cases, and contributed more than US\$2.7 billion and countless volunteer hours to protect 3 billion children from this paralyzing disease.

Through academic training, practice and global networking, Rotary is helping professionals become effective catalysts for peace. Rotary partners with leading universities around the world to host Rotary Peace Centers that empower, educate, and increase the capacity of peacebuilders. Each year, Rotary awards 50 fully funded fellowships for master's degrees and up to 80 fully funded fellowships for certificate studies to dedicated peace and development leaders from communities around the world.

### About Stephanie Urchick

Urchick holds a doctorate in leadership studies from Indiana University of Pennsylvania. A Rotary member since 1991, Stephanie has served Rotary in many roles and capacities.
