## WPRC MISSION STATEMENT

Serving and enriching our community  
through leadership and learning

### THIS WEEK

**Save the date** February 14 Prepare lunch bags for the Gathering

**UNITED NATIONS** The United States officially began its withdrawal from the World Health Organization earlier this year through a presidential executive order. Under the mandatory one-year notice period, the U.S. cessation of funding would take effect around January 22, 2026.

As the UN confronts an existential crisis, community groups must once again step up to help the world body navigate its current challenges.

At this critical moment for the UN and its agencies, civic organizations must continue to do what they do best: educate the public, mobilize grassroots networks to support the UN's work, use storytelling to shape public opinion, and advocate with governments and legislatures to sustain financial commitments.
