### WPRC MISSION STATEMENT

**Serving and enriching our community through leadership and learning**

### Polio update

A RI Convention breakout session addressed one of Rotary's key initiatives: the eradication of polio. Michael McGovern, chair of the International PolioPlus Committee, led a panel of experts in a discussion of the current situation.

"We need to get this done because we made the promise," McGovern said. "We need to get this done because it matters to every last child."

Aziz Memon, chair of the Pakistan PolioPlus Committee, discussed the difficulties of managing a vaccination program in remote areas of Pakistan where the country borders Afghanistan. Pakistan's problems lie in the southern area where there are different warlords, Memon said. An outbreak started from a very small village.

Johrita Solari, a past RI director who is chair of the Polio Eradication Advocacy Task Force for the United States, addressed the shift in the U.S. government's funding priorities for polio eradication and global health. She described the intense lobbying efforts that her group has undertaken.
