WPRC MISSION STATEMENT

Serving and enriching our community through leadership and learning

Jul 28 5-8 10th anniversary Rotary Circle ay Boerner Gardens

According to the World Health Organization, increasing the number of midwives worldwide by just 10% could save up to 1.3 million lives each year.

Working with the Australian College of Midwives and the Papua New Guinea Midwifery Society, they launched the Papua New Guinea Midwifery Leadership Buddy Project. As of April 2025, the project has helped 52 midwives from Papua New Guinea and 31 from Australia develop their skills.

The program is rooted in collaboration. Australian midwives are paired with midwives from Papua New Guinea for five-day leadership workshops. The process culminates in a yearlong community health project designed and led by the midwives in Papua New Guinea, with continued support from their Australian counterparts.

These collaborations have had lasting effects, from providing essential equipment to addressing issues like teen pregnancy. But at the heart of the program are the enduring connections between midwives who share specialized knowledge, a sense of global community, and a commitment to saving lives.
