Convention draws 37000 to a 'magical island'

A thunder of drums opened the 2026 Rotary International Convention's first general session in Taipei. The rhythmic beats launched a vivid pageant that blended traditional and modern elements to evoke the city's cosmopolitan nature and Rotary's global spirit.

As RI President Francesco Arezzo took the stage on 14 June to welcome attendees, he described the experience of meeting Rotary members throughout his term: "Everywhere I went, I found the same spirit. Different languages, different food, different ways of welcoming a guest — but always the same Rotary heart."

In addition to forging and renewing relationships with Rotary and Rotaract club members, program participants, alumni, and guests from around the globe, convention attendees will hear from an array of thought-provoking leaders.
