WPRC MISSION STATEMENT

**Serving and enriching our community
through leadership and learning**

This week: **Sep 2** 5:30 at Muskego Circle .

From August's Board meeting

- * Received a Rotary International Club Excellence award for 2025-2026 because we met or exceeded the goals.
- * World's largest Polio walk at the Pettit Ice Center will be about getting members to walk at 10 a.m. and not about raising money. Joint event with West Allis and Elmbrook.
- * Approve spending \$200 to sponsor a Greendale memory café session.
- * Craft Fair will remain a 1 day event. Negatives to a multi-day event include couldn't start until noon (church) on Sunday, security of crafter booths overnight, will there be enough workers, would the school be available and at what cost and the need to determine crafter interest in a second day.
- * Now have 800 likes for our Facebook postings.
- * Investigating sponsoring a New Berlin student for the Outbound youth exchange program.

A Memory Café is a welcoming, supportive social gathering for people living with changes in memory or thinking — including dementia, Alzheimer's disease, mild cognitive impairment, or other cognitive challenges — along with the people who care for them. Memory Cafés focus on people, not the medical conditions in a safe, judgment-free environment where people can socialize, share experiences, and enjoy activities together.

The August Memory Café theme was Garden Goodness. Attendees sampled fresh, local veggies from the Children's Garden and socialized with those present. There is no fee for the activity.
