BARCELONA

Sergio Aragón is keenly familiar with the city's virtues. He wants people who visit for the 2027 Rotary International Convention to experience its famous architecture, food, and culture. "We're going to offer our guests the chance to enjoy music, gather together, and sense the flavors not only in the city, but in other cities surrounding Barcelona," says Aragón, chair of the Host Organization Committee.

Aragón shared his thoughts on where to travel in the region, how Barcelona has changed in recent years and redeveloped the port and coastal area.
