Dan Besson,

President Village of Hales Corners

"Hales Corners is a great place to live and raise a family. We have amazing parks, neighborhoods and people. Many of our local businesses donate and invest in our Village. We need to continue and nurture those relationships while looking for creative ways to develop many of our other assets."

2023-24 District Grant application for Operation Warm - Coats for Kids (Whitnall School District)

Congratulations! The District Grant Committee approved your application for the full amount requested. You may now begin working on your grant.

The project will now be submitted to The Rotary Foundation (TRF) as part of District 6270's overall 2023-24 DDF spending plan.

Once that spending plan has been approved by TRF and funds have been received by District 6270, 1/2 of the approved amount for your grant will be distributed to your club.

Once your project is concluded, please complete and submit your final project report. Remaining funds will be remitted following review and approval of your final report and documented actual expenses.

Remember that final project reports, with documented expenses, are due by May 15, 2024.
