WPRC MISSION STATEMENT

Serving and enriching our community
through leadership and learning

Paul Harris 2023

Donna Winkler, Bob Nolan, Terri Delke

It is an honor to address all of you today. First and foremost, I want to express my gratitude for the trust you have placed in me to lead this incredible club. It is truly a privilege.

I am excited about this next year and the opportunities that lie ahead of us. Together, we have the power to make a difference in our community and beyond. Rotary has always been known for its dedication to service and humanitarian efforts, and I am committed to continuing that legacy.

I would like to recognize this years incoming board if they would like to come on up?

In this coming year, we will focus on expanding our impact. We will work closely with local organizations and leaders to identify and address the needs of our community. Through our service projects, our fundraisers, and outreach initiatives, we will strive to create lasting change.

Looking forward to "2" craft fairs this Rotary year, unimpeded by Jack Frost or Old Man Winter. I am also looking forward to brainstorming on new fundraising efforts such as a possible Sheepshead tournament...and I am excited to join the Rotary club of West Allis for a joint Christmas party. We have 5th Wednesday meetings where I'd like to get out in our local communities and get our hands dirty.

We cannot do this all alone. Rotary is at its strongest when we all come together as a team, supporting and inspiring one another. I encourage each and every one of you to get involved, share your ideas, and lend your expertise. Together, we can achieve great things.

I am confident that with our collective efforts, we will create a bright future for our club and make a positive difference in the lives of those we serve. Cheers to the incoming year, and to the incredible impact we will make together!

Dan Weber
