What is Rotary?

Rotary is an International service organization of business and professional men and women whose motto is "service above self." Rotarians provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. The Whitnall Park Rotary Club serves the area southwest of Milwaukee, including the communities of Greendale, Greenfield and Hales Corners.

The Whitnall Park Rotary Club is proud to present Scholarships to five deserving graduating seniors, chosen from our four area high schools (Greendale HS, Greenfield HS, Martin Luther HS and Whitnall HS) on an annual basis. Numerous qualified Scholarship Applications are submitted from ambitious ladies and gentlemen who demonstrate superior academic, extracurricular, community involvement and volunteer efforts, enrolling in a 4-year university. Applications include letters of recommendation and an essay written by the Applicant that allows insight into a student's future academic plans and information they would like to share regarding their family and how they have chosen their career path.

The Whitnall Park Rotary Club is also presenting Technical School/Apprenticeship Program Scholarships to graduating seniors who will be entering an Apprenticeship Program in pursuit of a trade/technical career in support of tuition or required apprenticeship program supplies.

We are tremendously proud to honor the service and efforts of these deserving individuals, their families and guests here with us tonight in-person and virtually.

The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Elise Siettmann Whitnall High School

Plans: Michigan Technological University

Career Ambition: Mechanical Engineering

Activities: Student Council, Co-Captain Forensics, DECA, President SkillsUSA, Co-Captain Girls Swim & Dive, Battle of the Books, Math Club, Physics Club, Stage Manager/Stage Crew, Scholar Athlete, AP Scholar with Honors

Service: Treasurer National Honors Society, Peer Mentor, Lifeguard/Water Safety Instructor/Site Coordinator Greenfield Parks & Recreation, Cashier/Bakery Opener Panera Bread, Helpdesk Intern Whitnall School District

Excerpt from Essay Submitted: "I would also like to be a part of helping reduce the carbon footprint created by F1 cars, which is a challenge facing the industry. Upon graduation, I would hope to get a job with a motorsport team either here or in Europe."

Maja Malbasic
Greenfield High School

Plans: University of Wisconsin-Milwaukee

Career Ambition: Ph.D. in Neurology
