### **Bring someone along to hear our keynote speaker**

Why not invite someone to come along with you to our next meeting to hear an expert in his field?

Dr Shanton Chang will be talking about the online habits of young people, and how it may impact schooling and education, mental well-being and sociability.

### **Don't forget**

Club BBQ on Sunday 13<sup>th</sup> at the Don and Karen Williams' winery in the Ferguson Valley. Your steak will be provided free courtesy of **Murray Harris**; please bring a salad. Wine available at the right price. Beer smuggleable. Thanks to Cedric and others for organising.

And in the morning...Sail Into Life

### **Sunday morning 13th Oct at 9.00am**

We need all hands on deck at the Sailing Club, for a couple of hours to paint the pontoons.

### **Sunday morning 20th Oct at 9.00am**

All hand on deck again for a couple of hours to put the pontoons in the water.

### **Thank you...**

**Neil Hamilton** and Accordwest for a small mobile table we can use for computer and projector

**Jim Stephen**, for a great sundowner.

To **Glenys McDonald** for offering to drive Dr Shanton Chang back to Perth, and to **Rob Prestage** for offering to be the back-up if driving at night is an issue.

### **This week's speaker**

**Dr Shanton Chang**

**Expert on effects of social media on young people**

### **Invitation from District Governer nominee**

**Melodie Kevan**, DG nominee for 2014-15, visited our club and invited us to consider hosting the District Conference in March 2015. There was general support for the idea among members, and also for the idea of the three Bunbury Clubs sharing the organising.

### **Two minute life lesson**

**Jim Wilkinson** related a few travel experiences from a 1955 unexpected bus detour to see beautiful James Herriot country in the UK, to border incidents at Dover, and an Irish Customs Officer whose comment in inspecting their passports was 'You're having a holiday – have a good one!' Thanks Jim.
