THE BULLY Number 48: 18 June, 2014

June is Rotary Fellowship Month

Quote of the week:

"Since the beginning of civilization, there has been a surplus of sayers of things. If there is any one particular in which I would have Rotary distinguished from other organizations, it is in the quality of character which results in the doing of things."

Paul Harris, Message to the 1921 RI Convention in Edinburgh, Scotland

Changeover Dinner

Is this coming Wednesday 25June at the Lighthouse Hotel.

Message of condolence

To President Stephen, Pauline, and children, we offer our deep sympathy on the death of Noel Hinton, Stephen's brother. May he rest in peace.

End of an era

Jim Wilkinson, after 44 years a member of our Club, has reluctantly handed in his resignation, due to the advance of the years.

Jim mentioned there have been many, many memorable times two which stood out in a special way were being the President, and being awarded a Paul Harris Fellowship. Jim- thank you for everything, and Lynne- for your vital role in this partnership. We owe a debt of gratitude to you, and we dips our lid.

Men's Shed Update

Bruce Lynch thanked the 10 Rotarians and two others who helped dig the footings last week. He thanked Len Andel and Andel Plumbing for installing pipework.

The Men's shed would like to source items including those listed below in an effective manner. If you, or those you know, could assist the Men's Shed in favourable terms, please contact Bruce.

Men's Shed Operation

On Thursday June 26th The Bunbury Men's Shed 'Operations Committee' will be holding it's bi monthly Men's Shed members meeting to inform them of issues and the construction status of the new facility.

The meeting commences at 6.00pm and completed by 7.00pm

Sausage in a bun and soft drinks will be provided to all.

This event is open to any person interested in the Men's Shed facility, ie. Members and friends etc.

This meeting is very informal, more of a fellowship evening. A great way for Men's Shed members to get to know each other.

Where?

At Tommo's Community Garden, off Robinson Drive (Busselton bypass road) enter via the Eelup round about, travel south towards Busselton, just before the Picton road lights there is a sign and drive way on the left hand side. Approx 300 metres north of the light. Be careful as there is no pull off lane, just the shoulder of the road.

There is NO COST to attendees.

Guest speaker

Our own Clive ('Prof Julius Sumner-Miller') Pearson enthralled members with a simple, straightforward demonstration of some basic physical and chemical truths with regard to the climate change. Thank you for a stimulating and refreshing treatment of the topic!
