**President Jim** welcomed visitors Melodie Kevan, D/G nominee and husband John Kevan (PDG) recently appointed President of the Rotary Club of Applecross. Also good to see P.P.Stephen Hinton back from Africa.

Jim thanked Mike Honeybell, Boyd Brown, and everyone involved in donating raffle prizes for the changeover dinner the previous week.

**Clive Pearson** presented his latest draft of the Jim's Oydyssey project. See sheet at end of bulletin. A copy will also be emailed to all members with internet access. Register your interest and either scan your response and email back to Clive ([clive@stockley.com.au](mailto:clive@stockley.com.au)) or deliver at this coming Club meeting or earlier if you see Clive about.

**Rotary raffle:** The jackpot remains alive. Ray Jordan, raffle spinner, did some interesting rolls of the dice to reach this position. As Ray has put up his hand to do this task this year we look forward to more entertainment. Unfortunately I couldn't get a photo in time.

**Guest Speakers:** Pres Jim with Helena visited Vietnam recently as did Roger Veen on a separate trip with family. Both presented powerpoint style photo's of their visits and said they had been impressed with their stay. A few tips for travelling in Vietnam were given, i.e. if taking the overnight train journey to the interior (19 hours) book plenty of space so you have a chance of sleeping O/N or better still fly there by plane.

Both speakers said they were impressed at how clean and tidy all the beaches were. Tourism is a big earner for the country and they want to keep people coming and not put off by the turn –offers all too common in Asia. Russian tourists were very common who regard Vietnam as Bali is to Aussies. Whilst in Vietnam Jim bought a very snappy, tailored leather jacket which he wore to the meeting (very smooth Jim) but this was eclipsed by a head-dress that Roger wore. It resembles something that Kubler Khan might have worn in his day.

**Long live the King!!!**

# JIM'S ODYSSEY

"Jim's Odyssey" concept is based on President Jim's view that because members have all been working tirelessly on Club projects for many years; it would be good idea to take time out for a bit of enjoyable R & R. The plan at this stage is for a Dalmatian Coast cruise, possibly on our own vessel, plus several on land visits. Participants would be responsible for getting there and back by organising their own travel arrangements. Some may wish to extend their visit after the joint exercise. Nothing has been set in stone as yet.

This flyer is to determine initial interest in the proposal as the sooner booking of vessels, airfares and accommodation can be made, discounts can be negotiated.

The questionnaire below is to determine the level of interest and other ideas that may be out there.

There has been a positive response from 8 members to date.
