## ROTARY IN BUNBURY AND BCCI MEETING

There was an excellent turnout at the combined meeting of Rotary Clubs of Bunbury and the Bunbury Chamber of Commerce and Industry on Wednesday 1st October at the Lighthouse Beach Resort. All present were treated to fine fare and enjoyed a networking opportunity with a large and diverse group of business leaders.

## GEOFFREY THOMAS—ON FINDING MH370

Geoff Thomas presented an informative and fascinating insight into the continuing search for lost Boeing 777, crew and passengers of the ill-fated flight MH370. His talk was delivered just 2 days before the resumption of the ocean search west of Bunbury.

 Harry Perkins Institute  
 Bus Departs Bunbury at 4:30 pm

## WHERE ARE THEY?

Rotary Club of South Bunbury has well travelled members. Keeping track of all our travelling friends is not easy. Some help is provided here.

**Kevin and Annette Coote** should be somewhere near Darwin now.

**Roger and Margo Veen** have headed north to Kalumburu where they hope to catch barra, mulloway or mackerel.

**David and Michel Keyser** are accompanying Roger and Margo. More people fishing means more fillets in the freezer.

**Bruce and Glenda Lynch** are camping somewhere in the outback now. Not much on Facebook so they may be beyond internet reception.

Card received from MAMI IMAOKA

Rotary Exchange Student 2013/4

West and Central Africa:	\$9,798,504 to	\$ 10,265,024

October 24th is World Polio Day

## PROPOSE CHANGES TO ROTARY'S CONSTITUTIONAL DOCUMENTS BY 31 DECEMBER

Every three years, Rotary International's Council on Legislation meets to debate and vote on policies and ideas submitted by clubs, districts, and the RI Board. This process gives your club and district a voice in how our organization is governed.

The Council has the authority to amend RI's constitutional documents, as well as adopt resolutions. Each district sends a representative to the meeting, and every club and district may propose legislation. The scope of legislation covers everything from club attendance requirements to the qualifications of the RI president.

Clubs and districts should submit proposed legislation for the 2016 Council through the online submission form.

## ROTARY'S RESPONSE TO EBOLA OUTBREAK

Rotary continues to follow the developments surrounding the Ebola outbreak in West Africa and advice of the World Health Organization and U.S. Centers for Disease Control and Prevention, our partners in international public health.

Strengthening the health infrastructure and supporting and sustaining the deployment of government health workers throughout these outbreak areas are greatly needed. Although Rotary has limited opportunities to respond at a corporate level, our strength as an organization is firmly rooted in the grassroots response of Rotary clubs and Rotarians.

Clubs around the world are creating or joining coalitions that are raising funds as well as purchasing and shipping safety equipment and supplies. If you want to let others know about your club project, you can post it on Rotary Ideas, Rotary's crowdsourcing tool.
