John Barnes and Brie Price, from the Southwest Institute of technology (formerly TAFE) and automotive department were our guests this evening.

John invited members to view the new 16 million dollar automotive training facility to be completed in mid 2013. ### **Vocational: Andy Perrella;**

Reminder about the vocational visit to Geographe Enterprises on 7 Nov. So far 41 members from Bunbury and 15 from Busselton. Volunteers will meet briefly after this meeting to co-ordinate the night.

### **International Night ; Trevor Wilson;**

Trevor explained that this year's international evening ( 13 Feb, 2013) was going to be something a little different- One table of 8 will be auctioned off, seat by seat. The table will have their own waiter and a chef will serve an extravagant meal, whilst the remainder of us have a served with a bowl of rice. The theme is to highlight the haves and have nots. Money raised will go to a rotary project.

### **Murray Harris:**

Richie Bros auction was very successful , raising over \$800. Thanks to all those who helped especially, Trevor Wilson, Cedric Getley, Peter Hill and John Gray.

Reminder to those who volunteered to serve drinks at a wedding on 10 Nov. There will be a short meeting with Murray the week before.

Murray gave President Stephen a cheque for half the money raised by volunteer members serving the drinks at the wedding.

Murray expressed disappointment in the lack of member volunteers at a recent Leukaemia Research function. SBRC have been very supportive in the past. Murray requested the board consider a donation to the fund.

Roger Veen had a string of fines, but firstly thanked everyone for their help with Sail into Life, painting and putting the pontoons into the water. He reported they recently lost a grant with local council, but picked up 3 other grants that will total \$30 000. This will ensure Sharon can continue co-ordination and administration of the project. John Carey carried the box for being a good snorer!

Some of the good lookers at the meeting!
