**GEARS, GADGETS, AND WIDGETS**

Members and guests from Busselton Rotary enjoyed a vocational visit to Georgrape Enterprises in the Bunbury light industry area on Wednesday evening. Founded by the Hyden family only a generation ago, the company has expanded throughout Australia and are moving into Asia. They are one of the major suppliers of parts to the shipping and mining industries.

 10/11 Morris & Jan Johnston 50yrs

**INDUCTION ANNIVERSARIES**

N/A

## GEARS GADGETS AND WIDGETS

With nearly 50 participants ,Clayton Hyden (founder's son) and Rodney Fox conducted two tours of the factory. Initially, it was a tin shed about 17 x 40 metres, now it is 1000s of square metres.

First part of the tour involved the original old part of the shed . This contained about 60 of the older machines which are still in use. The second new part of the factory was automated and members watched as clever little robots moved the heavy gear and gadgets from various section of the processing trail.

Next stop was The Intregres 400II that has a robotic arm that members were keen to view through the special window. Finally, the tour ended in the heat treated plant where we viewed a product coming out of the 800 degree furniss. It was bright red – see picture on the front page! Tour concluded with some words from Clayton on the valued added aspect of the business and its ability to stay at the forefront of the industry whilst still keeping jobs and serving business' in Australia. The factory works 24/ 7 and employs over 100 people. President Stephen present Clayton with a Rotary pin

After the tour member travelled down the road to christen the NEW BBQ at the Airforce Cadet Training Grounds. Members enjoyed a scrumptious dinner of beautifully cooked steak , sausages and an array of fresh and crispy salads.

Special thanks to the chefs and those who prepared the salads.

## **WELCOME TO CLUB**

Zaki Dorkham read Suzin and Clint the rights and President Stephen welcomed them with their official name tags, certificates and show bags. Both will join the Community Services committee and be mentored by Roger Veen and Dawn Naylor.
