PRESIDENT'S REPORT FOR BULLY - 6 JULY MEETING

A big thank you to PP Neil Hamilton for the way he guided the club for the past twelve months and my sincere thanks for Neil and John Gillingham for handing over a club that is in such good shape.

One of the highlights of the Changeover dinner for me was PP Sandro Agrizzi's emotional tribute to our newest Paul Harris fellow Leonie Kershaw, and the look of shocked surprise on her face: a very deserving award for the innovative and iconic Chef's Long Table Lunch. Another highlight was the support I received for my new role from the partners on the night and this in my circumstances was so very much appreciated.

During the week I spoke with Greg James and he said he was very appreciative of all the good wishes he has received. His recovery will take time, and he is very lucky to be with us. It is a timely reminder to each and every one of us to act when things start to go wrong, not to sit and take a 'wait and see' approach. Greg had the presence of mind not to keep shovelling and to get his son to call his wife. They managed to drive to the hospital where he had his cardiac arrest in ER, probably the best place for it if you must have one. I offered our club's help if Greg needs anything done at his house here in Bunbury while they are in Perth and he promised to call.

Later during reports we will have an informal Club Assembly to give you a heads up on what is planned for this year. Later in the year we will hold a Club Forum to get your views on a range of issues.

CLUB ASSEMBLY

As the incoming President my wish for this year is to ensure that we all have a good time, gain new and interesting information, enjoy lots of fellowship and contribute to our community and the wider Rotary family by digging deep and seeing what skills or experience we might be able to bring to the table.

During the year we will look at the things we do well, and amend the things that might need refreshing. If we do this - we will remain an energetic and vibrant club, and that in itself will attract new members wanting to join us.

We need to ensure that we do not stretch ourselves too thin and that if new projects are suggested there has to be an anchor person and a team willing to run with it.

To get the ball rolling my new Board participated in a workshop in April where we :

- reviewed the club's strategic plan
- considered the theme and district goals for 2011-12
- set preliminary goals and targets for our year

- and discussed the committee allocations

Several copies of the committees are on the tables, if you did not keep the programme from the changeover Night.

I have not come in as President with any specific project in mind, because we have some very worthy projects already in the pipeline that require initiating or finalising this year.

We have funds to provide playground equipment at the Hospital; we have funds to go towards two overseas projects, one to do with water wells and the other to be based in Papua New Guinea and the International Committee will take on these in liaison with the Foundation Committee. I would like to see all three of these projects completed this year.

The PR Committee is taking on our iconic Children's Fair this year, with Peter Hill agreeing to anchor this to assist John Gray. In addition we have the Bunbury Men's Shed project and our major fundraiser of the year, to support this, and another local charity 'Kids & Teens Waratah', is the Black Tie Ball on 6 August – only 4 weeks away.

This month and next month will see our committees meeting and planning their goals for the year. I encourage everyone with a role last year, to ensure that the new Director or Chairman gets a good handover. This is vital, especially in providing information and dates for the club calendar. We need all this in place by the visit of the District Governor Jodie Sparks on 21st September.

Finally I ask your indulgence during July, especially on Wednesday nights as we find our feet.
