Vocational visit

Our meeting this Wednesday 22nd will be at the premises of the new business of members **Clint Hyne** and **Suzin Wells**, at Smart Stockfeeds and Small Farm Solutions, 102 Estuary Drive, Bunbury. A BBQ dinner offered, partners welcome.

Thank you

Sandro Agrizzi as Vocational Chair presented a substantial cheque to President Stephen resulting from the BBQ we operated at the Treendale Christmas Party. Thanks to those who flipped the snaggers and to the Coote boys and Treendale for putting the work our way.

Children's Fair

Our annual Children's Fair is on this year on Sunday 16th Feb at Forrest Park run in conjunction with the South West Model Railway Engineers

We have again the Suitcase circus, animal farm, climbing wall, bouncy castle, laughing clowns, sausage sizzle, balloons, donuts, drinks, ice creams, books, produce, and all the usual fun of the fair.

But we need Rotarians and your partners to make this a great day as it always has been.

So if you have a task that you would like to do please let me (Peter Hill) know.

It is one of the few days we ask all members to give a day, as it is a great way to show Rotary in the community.

If you have a Gazebo to lend please let me know, as we need many on the day.

If you can face paint, please let me or Helena Sahm, who has kindly offered to co ordinate the face painting this year,now.

You can contact Helena through Jim Stephens on 0417 092 273

Guest Speaker – Laretta Davies

Laretta Davies, Museum Curator at City of Bunbury spoke to our Club about the new Bunbury Museum which is due to be opened to the public in mid-2015.

It will be situated in the Paisley centre, built in 1887 and originally the Bunbury Boy's School.

Features of our Museum will include:

- Travelling exhibitions
- Period classroom
- Interactive local history
- Street stories
- A feature on the history of the Haywards store (Yes, that was the face of Guy Castieau on the screen, this Bully editor's father)

\$3m is the budgeted overall cost. Sponsorships from local businesses, families and individuals would be warmly welcomed. Congratulation to Laretta for her first class directing of this project.

International Project – RI is truly international – this project update came across the editor's desk. Our own Dr Zaki Dorkham is part of it. Good work Zaki
