**Pres Jim** thanked all the members who attended the opening of the Men's Shed last week and especially Bruce Lynch who saw the project through from a start 5 years ago to the official opening. Well done Bruce.

Guest **Chloerissa Eadie** is a journalist with the Bunbury Mail and as a recent arrival in Bunbury is keen to get to know the movers and shakers in town and wanted to come to a meeting to see how the Club operates.

**Peter Hill: Children's Fair.** Peter wants a good roll up of members on Saturday 14<sup>th</sup> Feb at the Sea Container at 1pm to load the truck with equipment for the Fair. All members should now know what stall they will be on. Please be at the Fair by 8am to set up everything in time for arrival of the crowd by 9:30am.

**John Gray: Marigold Hotel film night, Grand Cinema, Thurs Feb 26<sup>th</sup>.** Tickets are selling fast. See Ray Philp if you want to buy more @ \$20 each. The normal meeting on Wed 25<sup>th</sup> will be cancelled.

**Cedric Getley- Fence repairs/replacement Northcliffe area**  
Cedric said that one farmer he knows in the Northcliffe area lost a lot of fence damage in the recent fires. He called for a contingent of Rotarians to travel to Northcliffe for a few days organising repairs for needy farmers. Not just yet until roads are declared safe. If you can help even for a day or two contact Cedric on 0419 940 381

**Clint Hyne:** On the same theme of assisting farmers in the Northcliffe area who have had their pasture burnt an appeal is out for people to donate some hay bales to keep stock going until the winter rains. Spread the word and ask people to get in touch with Clint at Smart Stock Feeds and Small Farm Solutions on 9725 4881'

**Guest Speaker:** Jenny Byatt is a 6<sup>th</sup> generation farmer who grew up on a farm between Narrogin and Popanyinning. When she was 13 there being no sons in the family the farm was sold and they moved to Busselton. An exchange student visit to Japan led her to study Japanese at WA Uni and then a 3 year posting to Japan teaching students English and the development of a sister city relationship with Busselton. A great speech including how she and David got together and travelled the world.

Appointments to the Board and to special projects were announced. **Treasurer:** Glen Fraser, **Secretary:** Glenys McDonald, **Youth** -Neil Sinclair, **Public Relations-** David Hamilton, **Guest Speakers-** Rod Downe and Morris Johnston, **Vocational-** Mike Honeybell, **Rotary Foundation-**John Gray, **Rotary International-** Clive Pearson, **Children's Fair-**Sandro Agrizzi, **Club Protection Officer-**Dean Freeman, Sergeant: **Len Andel** (who may be missing on a/c of his firm winning a major contract in Albany. Dawn Naylor may take on the role from January. **Club Bulletin**, Stephen Hinton. **Administrator incl Social events-** Turk Ellis.

President Jim said there are road works planned for Dunstan St, Bunbury later this year. The Club has the opportunity to earn a few \$'s by acting as traffic controllers and possibly selling BBQ's sausages and rolls to motorists caught in the traffic queues. More on this later.

**International:** Director Clive Pearson:

Clive outlined the "Jim's Odyssey" concept. It is based on President Jim's view that because members have all been working tirelessly on Club projects for many years; it would be good idea to take time out for a bit of enjoyable R & R. The plan at this stage is for a Mediterranean cruise, possibly on our own vessel, plus several on land visits. Participants would be responsible for getting there and back by organising their own travel arrangements. Some may wish to extend their visit after the joint exercise. Nothing has been set in stone as yet; Clive distributed a flyer to get people thinking. One thought was a walk along the Cinque Terre on the W coast of Italy. Clive wants plenty of ideas, thoughts, questions and comments on the overall proposal. So give it some thought and give Clive a ring or send him an e-mail so he firm up a Mk 1 proposal.
