Master re-cycler, Honest Ray, reported that 30Kg of stamps and 3 x 44 gallon drums of pull tags have been collected. Ray acknowledged the assistance of Rob and John Graynomad

Could this be cooking the books and tampering with the deck?
Let's go back to the basics...does this pass the four way test?
Rob has his doubts.

Mr Kim Rudd had one of the most humorous fines the Club
had ever heard...and it was on himself.
It was worth being at the meeting just to hear it.

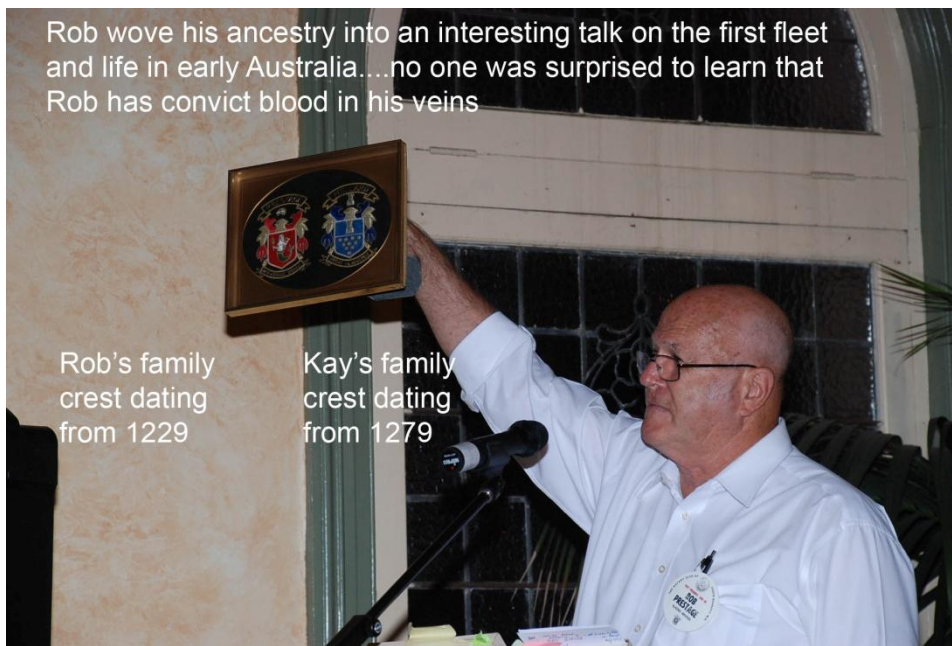

They look quite harmless, even friendly, but.....

Stay tuned. All will be revealed in the next issue

Rob wove his ancestry into an interesting talk on the first fleet and life in early Australia....no one was surprised to learn that Rob has convict blood in his veins

Face Book Seminar

Hi Glenys,

The purpose of this email is to invite you and all your South Bunbury members to the District 9465 "Rotary in the Southwest facebook Seminar" to be held on 25 March in Bunbury.

Registrations open at 9.00am and we ask that participants be seated for a 9.30am start. The event concludes at 1.30pm.

Importance of the Seminar

This seminar has been arranged and will be hosted by District Governor Jodie, who is keen to help interested WA Rotarians use facebook more safely and effectively.

Why is this important? Facebook is a major communication channel used by more than 800m people worldwide and offers opportunities to:

- communicate better internally
- build the profile of Rotary
- assist with our community engagement and recruitment activities
- and much more.

Your [invitation is available by download here](#). Could you please share this invitation with your club members.

Registration

To streamline the administration of the seminar and assist with catering, we ask that all intending seminar attendees complete the [online registration form \(click here\)](#).

If you have any questions, I'll be pleased to assist. I'm available on this email, or call me on 0408802490.

Yours in Rotary
