Wednesday's meeting relocated to Casellas for an outstanding and very successful networking function.

Organised by Mr Smooth, David Miles, the members mingled with many new faces from the business community.

Mmmmm...Feel the quality

Good to see Mreee back.

Terry can always be relied upon to pull a face when photographed.
Thanks go to Glen and guest  Carolyn for smiling nicely.

Proud father Murray Harris with son Justin and daughter-in-law Marnie. Ray was lobbying for cyclists on Sunday morning.

The Politburo meets: Past President Neil, current President Glenys and future President Stephen

The builder and the architect congratulating each other on their recent dental work

Lee Dillon and daughter Sophie with Bernice Butlion from South West Academy of Sport

David Miles offers an inducement to a clearly embarrassed Anthony Condon to join the club. David, this is not China. We don't do business like that here.
