President Neil thanked **John Gray** for organising the wreath for the ANZAC day ceremony, and noted the many Rotarians present at the ANZAC day ceremonies. He also thanked **Ian Robertson** for designing, and **Mike Honeybell** for producing, our new club pennant (See below for image and description. Nice work guys!)

Neil will be overseas next week and not able to preside, Sandro kindly deputising in his absence.

Trevor Wilson 's appeal for Give a Damn, Give a Can volunteers this Sunday May 1st was responded to positively—see Trevor if interested.

Guest speaker John Gardyne (pictured right) spoke about advocacy within the Department of Health. He is a volunteer with the Department of Health 's advisory Council (DEHAC) , and has a background in both nursing and catering. He outlined the directions and role of DEHAC, and invited volunteers to join it.

President-Elect **Glenys MacDonald** informed us of member subscriptions for next Rotary year, from July 1. Subs were \$295 in 2010, and will increase by \$5 to \$300. You will receive your subs renewal form in June, and by paying promptly, will allow our first RI payment to be made effectively. Our RI subs are based upon listed members as of a given census date.

About Nicole Ripley—guest speaker May 11th

Chosen as the 2011-2012 Rotary Ambassadorial Scholar for District 5060. Nicole will be studying a Masters in Counselling Psychology at the University of Notre Dame in Fremantle, Australia. She will be hosted by the Rotary Club of Attadale and South Bunbury in District 9465.

Peter Hill is organising another exciting car rally. Put aside Sunday 12th June in the calendar. More details to come.

The new Club Banner—thanks to Ian Robertson for the great banner, pictured above, and described below...

The club 's new banner shows a selection of local Bunbury images.

The overall centrepiece is a steelplate sculpture opposite the Entertainment Centre. It depicts a bird (seagull) representing freedom and the sea; the Southern Cross stars; and a silhouette of our buildings, being the Bunbury Tower and Art Gallery.

The lower foreground shows the central directional statues of the Koombana Drive round-about, indicating that Rotary assists the community in all possible directions.

The lighthouse shows we are a coastal city.

The new cathedral is present as an iconic building and can link its year of completion to the year of our new banner' s creation. While I understand Rotary is to be not biased in regard to politics or religion it is there for the above reason.

The clouds indicate that Rotary rises above the clouds with its high ideals, ' floating ' ideas for Service Above Self.

There was a suggestion to include the Rotary Lookout.... but as that was a specific project of the Bunbury Leschenault Club I considered our banner to be general of Bunbury.

Hopefully this new banner, created specifically to support our GSE member, may rekindle the contentious issue as to whether the club should indeed have a banner. The banner is a tangible catalyst to create a possible link between clubs most often at an international level.

What better way to further the ideals international peace and understanding, which is its potential.
