Future Directions for Our Club

President Stephen made a short presentation about where he saw our club's future development for the new financial year. He explained a proposal to get everyone involved in and on a committee or two. A PowerPoint slide indicated the new roles within each committee and or continuing themes for some. He proposed an Awards night where all the awards are presented to promote our presence and commitment to community. President Stephen proposed a new award the Mal Robertson Award and also perhaps the inclusion of a Golf Day. Another feature of this new year was the need to 'groom' and mentor members for directorship. Finally, Stephen suggested this was the year to "jump in and get involved". Copies of the slideshow will be distributed to members for comment on June 19 meeting.

Next Meeting 12 June The Retirement of John Sibson.

After 30 years of valued service to Rotary and a lifetime to his community, we fondly say farewell to John from active membership. Wonderfully supported by Barbara and his loving family, John Gillingham will recall the remarkable life of a good man. President Stephen will make a presentation and Rotarians past and present are invited to join us. \$30 pp @ Historic Rose Hotel Partners welcome and encouraged.

NO GUESTS THIS WEEK JUST US

Great to see Jim Hill has made a speedy recovery.

President's BBQ also raised over \$100 and a cheque was presented to Trevor Wilson. Trevor reported the Door Knock Appeal was a little down on last year's donations so the extra funds were greatly appreciated.

Murray Harris thanked Rob, Cedric, Trevor, Mike, Turk and John for their help at the recent Richie's Auction Day. They kept running out of eggs and bacon. By the end the patrons had eaten their way through some 14 dozen eggs and 6 kg of bacon, but they raised \$1380. Well done boys!

What's Neil doing with his wallet out?

Some happy members- Guess who is starting up a new business?

Jim awake with fellow members

Jim asleep with himself!

20th June is a significant day for Men's Shed as it will be handed over to the community to manage. Bruce gave a run-down on the status of the "Shed".
